

ÉCOLE
ST LANDRY
SCHOOL

Dear Parent/Guardian:

Thank you so much for your interest in École Saint-Landry! We hope that you'll enjoy these color sheets that focus on (what else!) COLORS.

This packet focuses on 11 colors: *rouge* (red), *orange* (orange), *jaune* (yellow), *vert* (green), *bleu* (blue), *violet* (purple), *rose* (pink), *brun* (brown), *noir* (black), *blanc* (white), and *gris* (grey).

It's important to note that you will sometimes see brown listed as *brun* and sometimes as *marron*. Occasionally, you will see purple listed as *pourpre*. Some French speaking countries use one word over the other -- but know they are all correct.

We understand that most of our parents do not have background in French, so here's a few resources that will help you out on this lesson.

- A video that helps you know how to say each word.
- A short song about colors to help assist in learning.

We invite you to post your student's color sheet masterpiece and tag us! You can find us at @EcoleStLandry on both Facebook and Instagram, or you can find us directly by clicking on the icons at the bottom of this document.
